

## CONTINUING EDUCATION UNITS INFORMATION

The Accreditation Commission For Traffic Accident Reconstruction requires that all accredited reconstructionists attain eighty (80) Continuing Education Units (CEUs) within a five-year period from passing the examination to renew their ACTAR accreditation.

The following courses have been approved for ACTAR Continuing Education Units. CEU points can be estimated for additional courses if the curriculum taught has not changed.

APP#	HOST	PROVIDER	COURSE TITLE	LOCATION	CEU'S
606	CAARS		Tire Mechanics & Inspection	Concord CA 1/22/2003	6
607	CAARS		Tire Mechanics & Inspection	Garden Grove CA 3/5/2003	6
608	CAARS		Computers in Accident Reconstruction	Anaheim CA 5/28/2003	6
