DEFINITIONS

Truck - A motor vehicle designed, used or maintained primarily for the transportation of property. For the purpose of this form the vehicle must also meet one of the following criteria:

Have at least 6 tires on the ground - OR -

Carry a Hazardous Material Placard

Bus - A motor vehicle providing seats for 16 or more persons including the driver and used primarily for the transportation of persons.

<u>Trailer</u> - A non-power vehicle towed by a motor vehicle.

<u>Reportable Accident</u> - A highway related incident normally investigated by a police officer and reported on a standard accident report form involving one or more trucks or buses (as defined above) which results in:

- One or more fatalities
- OR ● One or more non-fatal injuries requiring transportation for the purpose of obtaining immediate medical treatment.
- OR ● One or more of the vehicles being removed from the scene as a result of disabling damage.
- OR ● One or more vehicles requiring intervening assistance before proceeding under it's own power.
